

# Lorain Police Safety Town 2020

Safety Town is located at Lorain High School,  
2600 Ashland Ave, 1<sup>st</sup> Floor Art Room.

In conjunction with the Lorain Police Department and the Lorain City Schools, Safety Town will be open for all children living in the City of Lorain entering kindergarten in the fall of 2020.

Our Safety Town program is a one-week course that is designed to teach your child safe practices both at school and at home. The children are instructed on when, where, and how to cross the street, school bus safety, seat belt safety, fire safety, poison control and how to handle strangers.

Safety Town is conducted **Monday thru Thursday from 9:00 AM to 11:30 AM**. Safety Town sessions are scheduled for the weeks of **June 22<sup>nd</sup>, July 6<sup>th</sup>, July 13<sup>th</sup>, and July 20<sup>th</sup>**.

The registration form should be completed and returned to Mrs. Robin Smith as soon as possible. The classes are filled on a first come first serve basis beginning with the Lorain City Schools registration. Please fill out the attached form and mail to Ms. Robin Smith at 505 Allison Avenue, Lorain, Ohio 44052.

You will be contacted by telephone or email by Robin prior to the start of Safety Town as to the date your child is to attend. On your registration form, please select what week that you would prefer your child to attend. Please also select a second choice so that if your first choice is filled we can place your child in the second/next available opening. Robin will only contact those parents who submit a registration form with a valid and working telephone number or valid email address. If you do not have a telephone number, we will need a telephone number of a person who we can make contact with so that this information can be given to you.

Class sizes are limited. Again, this will be on a first come, first serve basis.

The Lorain Police Safety Town program is free of charge to all who attend. Only instructors and children will be allowed on the Safety Town course during the instruction periods.
