In support of strengthening student academic achievement, Helen Steiner Rice receives Title I, Part A funds and therefore must jointly develop with, agree on with, and distribute to parents and family members of participating children a written parent and family engagement policy that contains information required by section 1116(b) and (c) of the Every Student Succeeds Act (ESSA). The policy establishes the school's expectations for parent and family engagement and describes how the school will implement a number of specific parent and family engagement activities, and it is incorporated into the school's plan submitted to the local educational agency (LEA).

Helen Steiner Rice agrees to implement the following requirements as outlined by Section 1116:

- Involve families, in an organized, ongoing, and timely way, in the planning, review, and improvement of programs under Title I, Part A, including the planning, review, and improvement of the school parent and family engagement policy and the joint development of the school improvement plan under Section 1114(b) of the Every Student Succeeds Act (ESSA).
- Update the school parent and family engagement policy periodically to meet the changing needs of families and the school, distribute it to the families of participating children, and make the parent and family engagement policy available to the local community.
- Provide full opportunities, to the extent practicable, for the participation of families with limited English proficiency, families with disabilities, and families of migratory children, including providing information and school reports required under Section 1111 of the ESSA in an understandable and uniform format, including alternative formats upon request and, to the extent practicable, in a language families understand.
- If the school improvement plan under Section 1114(b) of the ESSA is not satisfactory to the families of participating children, submit any family comments on the plan when the school makes the plan available to the local educational agency.

- Be governed by the following statutory definition of parent and family engagement and will carry out programs, activities, and procedures in accordance with this definition:

Parent and Family Engagement means the participation of families in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- (A) families play an integral role in assisting their child’s learning;
- (B) families are encouraged to be actively involved in their child’s education at school;
- (C) families are full partners in their child’s education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child; and
- (D) other activities are carried out, such as those described in Section 1116 of the ESSA.
